**Friedrich-Bödecker-Kreis
in Sachsen-Anhalt e.V.**

The Friedrich-Bödecker-Kreis in Sachsen-Anhalt e.V. – the section of the Friedrich-Bödecker-Association in Saxony-Anhalt – was founded in 1990 and is supported by the ministerial office for culture and education. It supports reading- and writing-abilities in the interest of the state of Saxony-Anhalt. Supporting youth-orientated educational work, caring for up-and-coming authors and spreading contemporary literature by authors living in the state are its concerns.

In order to carry out its tasks, the FBK aspires to complex and intense cooperation with several institutions, such as schools and libraries, literary organisations and other associations, foundations, universities and further more the LISA – an institute, that takes care of schools and teacher's education, the Auslandsgesellschaft, the Landesvereinigung kulturelle Kinder- und Jugendbildung and many others. The FBK is also a member of the Literaterrat (council of literature) in Saxony-Anhalt.

Most significant events and project, that stress those efforts are „Bücherfrühling“ (Spring of Books), „Herbstseiten“ (Autumn's Pages) and the „InterLese“. But there are also projects, such as „Kindsein in Sachsen-Anhalt“ (Childhood in Saxony-Anhalt), „Schulschreiber“ (Residential Writer in School, „Poesie und Poetik“ (Poetry and Poetics), „Lesekrone“ (Reader's Crown) and „Duo Literare“.

The FBK also carries out writing-contests and workshops for children and teenagers, takes care for up-and-coming authors, initiates projects that provide the possibility to interact for writers of different genres and different generations. It develops documentaries, guides for readers and writers. Publishes for instance „oda“ – Ort der Augen (the leading literary magazine in Saxony-Anhalt), the „Bödecker IQ“, providing information about the FBK's work and, together with LISA, the „Lesefutter“, which provides teachers with suggestions for their literature-classes. It also gives advice for citizens, who are interested in literature, informs about literature coming from Saxony-Anhalt, supports educational programs disseminators and many more.

The FBK helps organizers coordinating their event, doing financial planning and helps choosing suitable authors.

Besides many male and female authors, many schools, libraries, publishers, book-stores, citizens and regional authorities are members of the FBK.

You can get a member of the FBK at any time. You will find the membership-form online under www.fbk-lsa.de or you can contact the office (adress on the frontpage).

The membership-fee is 35,00 Euros/year.

Events have to be announced as soon as possible!

The associations work nationwide: in every federal state of Germany there is an FBK, organizing the literary events.

The FBK of every state is a separate association and is connected to the other in the Federal Association, which is a head-organisation, that coordinates exchange between the state-association.
